

3648 SERIES

Simply immaculate a yard at a time

3648 SERIES

Simply immaculate a yard at a time

The Cuda 3648 features a turntable diameter of 36-inches, working height of 48-inches, and load capacity of 2500 lbs. The 3648 Series is equipped with a 7.5 HP vertical seal-less pump producing 150 GPM at 50 PSI, and has a 113-gallon sump capacity.

Aqueous parts washers clean faster and better without using harmful solvents!

Cuda automatic parts washers provide a safe and efficient solution to cleaning parts because they don't use harmful cleaning solvents to clean. Our automatic parts washers also provide a time-saving, easy parts cleaning solution for your staff allowing them to simultaneously clean parts while performing other tasks.

1 Blockage Free

- Removable debris screen (standard all models) prevents small particles and loose parts from entering the cleaning solution, ensuring blockage-free spray-nozzle operation.

2 Compact Footprint

- Space saving roll-in door allows easy access to the wash chamber.
- Reduces footprint over other traditional parts washers.
- Roll-in door prevents wash solution from dripping on the shop floor.

3 Customize and Accessorize

- Customize your parts washer to your specific needs, like with this deluxe kit, so washing becomes the easiest part of the work day.

4 Detergents Engineered for Aqueous Parts Washers

- Cuda detergents contain advanced formulas engineered specifically for use in aqueous parts washers and their specialized needs. Our advanced formulas include an exclusive multi-metal corrosion inhibitor for rust-protection.
